* *Specialty class*

⚠ *Due to limited space, this class requires signing-up at the front desk up to 30 minutes prior to class.*

CLASS DESCRIPTIONS

Aerial Hammock*: This class uses the aerial hammock for conditioning exercises, flexibility stretches, and skill building, including yoga and aerial poses, sequences, and inversions to increase overall health and physical agility while having fun and creating beauty. Students will work at their own pace and advance to more difficult moves as they become stronger. **Not recommended during pregnancy. Please consult your physician. Please bring your own yoga mat.**

Aquacise: A moderate intensity one-hour class, which uses water resistance to build strength, burn calories, and increase flexibility.

Aqua Core & More: The pool offers the ideal environment to challenge core stability. Participants can strengthen their cores and increase flexibility while experiencing a nearly gravity-free workout. Water resistance in all directions, with and without equipment, gives a total body workout—cardio, strength, flexibility, and balance—in 60 minutes.

Aqua ICE: Interval Circuit Extreme. In this class you will enjoy the benefits of the water and burn more calories while conditioning your cardiovascular system, strengthening your muscles and toning the entire body.

Aqua Stretch, Fit, & Go: One hour of water aerobics and stretching, followed by 15 minutes of additional toning and stretching exercises.

Barre*: A low impact workout utilizing the ballet barre that focuses on cardio, strength and flexibility in a fun and high energy class! No heat will be added.

Barre Fitness*: A 55-minute full body workout that will lift your heart rate (and your mood) with exercises set to fun music in a supportive and high-energy environment. The class will blend cardio, strength training, balance work and core conditioning in a total body workout that targets the hips, glutes, abs and arms. No heat will be added. (Express = 45 minutes)

BODYATTACK: A sports-inspired 60-minute cardio workout for building strength and stamina. This high-energy interval training class combines athletic aerobic movements with strength and stabilization exercises. (Express = 30 or 45 minutes)

BODYBALANCE: (Formerly called "BODYFLOW") A yoga, tai chi, Pilates workout that builds flexibility and strength, leaving you feeling centered and calm in one hour. (Express = 30 or 45 minutes)

BODYCOMBAT: Fiercely energetic, empowering cardio workout inspired by martial arts and drawing from an array of disciplines such as Karate, Kickboxing, Taekwondo, Thai Chi & Muay Thai. (Express = 30 or 45 minutes)

BODYPUMP: The original barbell class that strengthens your entire body. This 60-minute class challenges all your major muscle groups by using squats, presses, lifts, curls, etc. (Express = 30 or 45 minutes)

BODYSTEP: This is a simple, athletic and fun workout using the step. Expect to achieve toning for the lower body, increased cardio and coordination, and upper and lower body conditioning for functional strength. (Express = 30 or 45 minutes)

Breathwork & Mind Body Yoga*: Experience the transformative power of Tummo style breathwork, a dynamic technique proven to boost immunity, enhance stamina, and reduce inflammation and stress. Transition into a mindful flow designed to awaken somatosensory awareness, fostering a deeper connection between your mind and body. Finish with a deep meditation leaving you grounded, energized, and fully present.

Cardio Step: This is a step aerobic workout for cardiovascular endurance and conditioning. Complete your hour with muscle toning exercises incorporating the full body. Choreography styles will vary so everyone will find success.

Chair Yoga*: This is a gentle class with the *option of using a chair*, incorporating range of motion exercises, alignment, stretching, strengthening, awareness, breathing and relaxation to refresh, energize, improve posture, deepen breathing and improve sense of well-being. This is a safe and slower-moving class designed for seniors and people of all ages with physical challenges or those who might be recovering from an injury.

Embodied Empowment Yoga:** This gentle, empowering practice allows us to learn how to free troubling emotions, persevering thought patterns, chronic somatic tension and hyper-vigilance through concentrated breathing and slow-moving asanas, as well as meditation and mindfulness exercises, in a safe and trusting environment. ** Free of charge to those with a military ID.

Extreme H2O: Take water exercise to the next level with this challenging full hour, total body workout. This class uses the water's resistance and increases the workload with drag and buoyant equipment. Bring a water bottle because you're going to sweat! Deep H2O held outdoors at the MAC, in the deep water well.

Fusion Hot 90*: This sequence of postures is designed to work the whole body; muscles, joints, glands and all internal organs. It offers the perfect mixture of strength and flexibility training to allow you to take your functional fitness to the highest level possible. The dynamic internal and external health benefits you will receive will astound and empower you. You will be guided through a series of held postures to build strength, a flow sequence that will get your heart pumping, and a core and flexibility section to create complete harmony through your entire body. The room will be heated to 100+ degrees at 40% humidity to heat the body inside and out, to increase flexibility, release toxins, increase calorie burn and improve cardiovascular function for a total mind and body experience. Red light near infrared bulbs are used. The class is 90 minutes with an option leave at the 60-minute mark. **Not recommended during pregnancy. Please consult your physician.**

Fusion Hot 75*: This practice uses the same sequences as Fusion 90 with the exception of 1 round (rather than 2) of the standing strength postures. You will flow through the same vinyasa sequence, enjoy 25 minutes of core and flexibility training and end with a savasana. **Not recommended during pregnancy. Please consult your physician.**

Fusion Hot 60*: This practice utilizes the same sequences from Fusion Hot 90 with the exception of 1 round (rather than 2) of standing strength postures and includes the fully vinyasa flow as well as 10 minutes for core, stretch and a short savasana. **Not recommended during pregnancy. Please consult your physician.**

GRIT: High-intensity interval training (HIIT), one of the hottest fitness trends, is the fastest way to get fit. Short, sharp bursts of effort allow you to reach maximum training zones and that's the secret to athletic performance in this 30-minute class. **ATHLETIC:** multi-dimensional sports conditioning, using bodyweight exercises and sometimes a step. **CARDIO:** improves cardiovascular fitness, increases speed, and maximizes calorie burn. **STRENGTH:** designed to improve strength, cardiovascular fitness, and build lean muscle, using barbell weight plate, and bodyweight exercises.

HIGH Fitness: HIGH transforms old-school aerobics into a highly addictive new fitness experience that combines simple, modern fitness techniques (I.E. HIIT, plyometrics, etc.) with music you know and love... resulting in a high-energy, intense, crazy fun workout that leaves you feeling HIGH and wanting more!

HIGH Fitness (High Low): A lower impact, steady state cardio workout, experience a modern twist on aerobics in an action-packed mix of cardio and toning tracks that will take your fitness to the next level. This no-equipment format uses simple, set choreography to create an effective steady-state cardio workout. LOW is easy to follow and a total blast! High impact levels are demonstrated in this class, so it is adaptable to all levels of fitness. You can go LOW, but you will always leave feeling HIGH!

Himalayan Kriya, Breathwork, & Movement*: This practice will integrate Kriya, breathwork, meditation techniques, deepening connection and devotion through Laya and Bhakti practices, the chakra healing power of sound, free movement, and Hatha Yoga asanas. It will include ancient yogic techniques as well as current evolutionary practices to create a clear path for the individual to experience a full, healthy, abundant, and joyous life.

Hot Barre*: This barre inspired workout is one of the fastest, most effective ways to burn calories and get toned! Yes, Hot Barre is centered around a ballet barre and inspired by the workout routine by ballet legend Lotte Berk, but the barre is simply there to provide stability, balance and support as you move through exercises that target the core, glutes, arms and legs. No dance experience necessary, you just need to know these three numbers: 95 degrees, 45 minutes, 800 calories! **Not recommended during pregnancy. Please consult your physician.**

Hot Pilates*: A low impact, full body workout that focuses on core strength and stability with an extra spotlight on flexibility utilizing the benefits of the 95 degree room with our near infrared red lights.. You will utilize light weights/bands in addition to your body weight for muscle toning and overall body strength. You will learn to experience the intricacies of muscle movement and firing the proper muscles for each exercise. Additional stretching at the end of class will help release tension from your day. **Not recommended during pregnancy. Please consult your physician.**

Hot Sculpt Flow*: Boost metabolism and build lean muscle mass as you flow. You'll combine free weights with yoga sequencing and cardio to intensify each yoga pose while mixing in strength-training moves like squats, lunges and bicep curls. Room will be heated to 95 degrees and taught under our near infrared red lights. **Not recommended during pregnancy. Please consult your physician.**

LES MILLS DANCE: A high-energy workout that will reinvent the way you move and sweat! 45-minutes, 10 stand-alone tracks, inspired by global dance genres and designed by dancers.

Pilates*: A low impact, full body workout that focuses on core strength and stability using body weight and light barbells/bands for ideal results. You will learn to experience the intricacies of muscle movement and firing the proper muscles for each exercise. Expect toning over all parts of the body with specific results in the midsection.

Radiant Yoga*: Strike a balance of breath, postures and flow in a room heated to 95-100 degrees with radiant heat to create 'tapas' (healing for your body, mind and spirit). Come to this class to cleanse your body, length and strengthen your muscles, and calm and sooth your mind. This practice may include strength postures as well as arm balances. Come strike a pose! **Not recommended during pregnancy. Please consult your physician.**

Recess Relays🏊: Splash into fun and fitness with this 60-minute group fitness class designed to bring out your inner swim child and boost aquatic fitness. This class is built around fun group swim challenges like kickboard relays, dolphin dives to the wall, and beach ball races. These challenges create the perfect balance of cardio, strength, and social connection. Think of it as a pool field day for adults! Participants will build endurance, swim skills, and water confidence. **While no formal**

swim training is needed, it is recommended that class participants can independently swim the length of the pool. Not quite there yet? Build your skills with an Adult Learn-to-Swim training package from Coach Kat.

Red Light Gentle Yoga*: A harmonious fluidity of movement and breath. We begin with centering and gentle warm up exercises and then build progressively with postures that lengthen and tone all the major muscle groups. Modifications and props are incorporated to support alignment and progression. The room will be heated to 85 degrees with radiant heat to create a safe and gentle environment for strength and flexibility, and we will utilize our red light near infrared therapy

Red Light Yin Yoga*: Yin yoga is a slow-paced style of yoga that uses specific asanas (postures) that are held for longer periods of time, typically from 1 minute to five minutes or more, depending on the posture. These postures access deeper layers of the fascia, promoting essential balance in our mental and physical bodies. This class will be taught under our red light near infrared bulbs, bringing a gentle warmth.

Restorative Yoga*: In this stressed out world we live in, it's so important to restore the parasympathetic nervous system. This practice is all about slowing down and opening your body through passive stretching, breath work and meditation. Bring any and all materials you'd like to aid in comfort. Blankets, bolsters, and blocks provided.

RPM🚲: This indoor-cycling class is the workout riding to the rhythm of powerful music based on your rotations per minute. Hills, flats, mountain peaks, speed work and interval training are involved in this 45-minute class. **(Express = 30 minutes).**

RRX*: Rowing, Riding, and TRX. This 45-minute class incorporates variable-intensity intervals of these three modalities, combining strength and cardio into a fun, energetic cross-training workout. Using our WaterRowers, TRX suspension training, and Stages bikes, this class is a low-impact workout, ideal for everyone!

TaiChiFit*: This practice brings focus on balance with controlled movements to increase stability, flexibility, circulation, immunity, strength (in a subtle way), and moving meditation to promote relaxation and awareness of the breath. It is a low-impact fitness option to complement any fitness program as an adaptation for functional exercise for the general public, seniors, those with physical challenges, and athletes.

Total Body Fun (TBF): Come dance, tone, move, and stretch your way to a healthier body and mind!

Total Body Row (TBR)*: TBR is a 55-minute full-body workout. Rowing uses 85% of the muscles in the body and challenges the core with every stroke. During class we will not only row, but also perform strength training and mobility work off of the rower, using any combination of plates, bodyweight, TRX, and kettlebells.

Total Body Workout (TBW): Strength-train your entire body using bars, dumbbells & bands, & a mix of cardio intervals

Yin Yoga*: Yin yoga is a slow-paced style of yoga that uses specific asanas (postures) that are held for longer periods of time, typically from 1 minute to five minutes or more, depending on the posture. These postures access deeper layers of the fascia, promoting essential balance in our mental and physical bodies.

Yoga: Provides focused practice that strengthens and tones muscles, increases bone density and establishes correct body alignment through asanas, breathing techniques, warm ups and relaxation.

YogaSculpt*: A 45 minute heated class that unites muscle and yoga, combining hand weights and cardio for a great calorie burn! YogaSculpt is designed to strengthen, lengthen, and sculpt muscles, while focusing on alignment, mindfulness, and breath awareness. You'll leave feeling connected, strong, and refreshed! This class will be heated to 95-100 degrees and taught under our red light near infrared bulbs. ***Not recommended during pregnancy. Please consult your physician.***
